Module Assignment 3: Fonts

Goal

Here you will be tested on choosing of font pairings and styling.

Brief

Choose 2-3 fonts for the Home Decor website homepage and products page and style.

Level 1 Process

1. Choose 2-3 fonts for the Home Decor website homepage and products page:
   Research and find good pairings of fonts for:
   - the headings
   - the body text
   - and a third font for calls to actions.

2. Code these fonts into the existing products page for the headings, subheadings and body text, and style with CSS and use relevant heading text, i.e. replace your Latin text from the ast assignment with text content.

3. Include a report in which you analyse and explain you choices of fonts and hierarchy of fonts used.
